Edward Jones – Branch Office Manager**OMJ Job Number/Reference Code: 3798390**

Play an important role in helping others - and yourself - achieve goals Edward Jones is a privately-owned Fortune 500 Company known for building quality, one-to-one relationships with our clients through more than 14, 000 Financial Advisors (FA) across the United States and Canada. Our goal is to build our branch office network to 20, 000 FAs and we are searching for talented individuals to help us achieve that vision. Each FA is supported by a Branch Office Administrator who Partners with the FA to build deep, trusted client relationships Enables the FA to focus on providing tailored, solutions-based advice, and Delivers exceptional client service. Client service Edward Jones FAs are known for building quality, one-to-one relationships with their clients - and they're able to maintain those relationships with the help of the BOA. When clients have questions, the FA will often depend on the BOA to provide a timely response. Client development an effective marketing communications program is only as strong as the person who implements it on a daily basis. At the FA's direction, the BOA updates prospect and client data records, executes direct mail programs, assists with planning seminars, and makes follow-up phone calls to set or confirm appointments. The BOA also helps the FA deepen existing client relationships by recognizing opportunities during day-to-day client interactions, proactively preparing a variety of reports for scheduled appointments, and scheduling systematic contact activities. Region and firm assistance to improve region performance and support our growing firm, we have established a number of regional support programs for all BOAs. While not required, experienced BOAs often volunteer for a program such as mentoring, BOA meeting planning or presentations. They help with an occasional branch visit, workshop or special project. Certain BOAs will also have the opportunity to play a larger role in their region if their FA holds one of the key leadership positions. This generally involves scheduling meetings, communicating with other branches and compiling reports. Many branches also host a FA trainee for several weeks. In this case, the BOA can be called upon to help the new FAs become familiar with processing systems and office record keeping. Office administration This position is ideal for a well-organized person who enjoys multi-tasking and working with both technology and people. Daily office administration duties include assisting the FA VEVRAA Federal Contractor Request Priority Protected Veteran Referrals Equal Opportunity Employer minorities/females/veterans/individuals with disabilities/sexual orientation/gender identity
