Wayne County Justice Center, Communications Division, 201 W. North St. Wooster, Ohio 44691

P: (330)287-5700 F: (330)287-5707

Wayne County Communications is currently accepting applications for part-time dispatcher.

The position of public safety dispatcher requires a person who is able to gather pertinent information quickly and accurately, and relay that information to others. The position demands performance of several tasks simultaneously in an organized manner despite interruptions. A successful candidate for this position will have the ability to remain calm and even-tempered, emotionally stable, dependable, and courteous during the many stressful events that may occur. A significant amount of a dispatcher's time is spent dealing with the public via telephone; therefore, a dispatcher must be willing and able to be co-operative and helpful to those who call. Wayne County Communications personnel are required to work all shifts, weekends, and holidays. Good hearing, speech, and computer keyboarding skills are also necessary. If you feel as though you can meet the demands of this profession, submit your application. Each qualified applicant will, at a later date, be interviewed, and then be required to submit to a polygraph examination, criminal and traffic record check, and employment background investigation.

Wayne County Children Services is currently accepting applications for two full-time Caseworker II – Ongoing positions.

Ashland County Sheriff's Office – Communications Officer**OMJ Job Number/Reference Code: 3874615**

Desired Skills/Duties: - For most emergency communications officer/dispatcher positions, dispatchers must be at least 18 years old. - Must possess a high school diploma or GED. - Must possess a valid driver's license and no more than six points on their driving record and may not have any felony convictions. - Candidates for the position of dispatcher must also expect to undergo a number of interviews, a background investigation that meets all local, state and federal requirements, as well as a polygraph or computerized voice stress analysis examination (CVSA), drug screen, hearing test, a psychological test and a consultation with the staff psychologist. - Expected to take a computerized pre-employment skills test which checks for skills in multitasking, decision making, reading comprehension, data entry, spelling and other items. This type of pre-employment testing is completed before a job offer is extended. - Another minimum requirement for employment for a dispatcher includes the completion of a comprehensive training program for up to the first year of employment. This often includes classroom training and extensive, on-the-job training.

Working Conditions: - This is an essential position. In a state of emergency, a dispatcher is required to work their scheduled shift and may be required to work additional hours. - Receives emotional calls from individuals in life and death situations including situations such as house fire, car crashes with injuries or fatalities, burglaries, etc. - Multiple incidents happening simultaneously. - Overtime may be required without notice. Working shifts and holidays will be required. - Workload will be affected by sudden changes in weather conditions (tornados, flooding, quick snow accumulation, icy conditions, extreme heat affecting power outages), etc. - Ongoing training is required with passing scores mandatory to retain position.

Knowledge of: - Safety and Security: dispatchers must have knowledge of rules, regulations, and procedures, including safety procedures, such as CPR and first aid. Policies and procedures may refer to departmental policies and procedures related to emergency communications and disaster and special response plans. - Customer Service: dispatchers must have knowledge of providing excellent customer service. - Telecommunications: dispatchers must have knowledge of telecommunications systems, which may include transmission, broadcasting, and switching systems, and computerized databases, including computer operations and procedures. Further, they must understand basic dispatch codes, as well as standard abbreviations and industry terminology commonly used by emergency medical services and law enforcement agencies. - Geography: dispatchers must understand jurisdictional boundaries, as well as thoroughfares, landmarks, public buildings and waterways within the jurisdiction, as well as the building facility at the Ashland County Sheriff's Office. - The ability to develop and maintain cooperative and professional relationships with fellow employees, representatives from other departments and supervisors. - The ability to use logic and reasoning to reach conclusions and approaches to problems efficiently. - The ability to use judgment and decision-making skills to evaluate situations, establish priorities, and resolve matters in stressful situations. - The ability to actively listen and communicate effectively through clear speech and hearing. - The ability to follow instructions. - The ability to write clearly and spell correctly. - The ability to establish priorities and pass on information as needed.

U.S Census Bureau – Census Worker**OMJ Job Number/Reference Code: 3872021**

Desired Skills/Duties: Overview In advance of the 2020 Census, the U.S. Census Bureau is recruiting thousands of people for temporary jobs across the country. These positions provide the perfect opportunity to earn some extra income while helping your community. The results of the 2020 Census will help determine each state's representation in Congress, as well as how certain funds are spent for schools, hospitals, roads, and more. This is your chance to play a part in history and help ensure that everyone in your community is counted! Job Qualifications To be eligible for a 2020 Census job, you must: Be at least 18 years old. Have a valid Social Security number. Be a U.S. citizen. Have a valid email address. Complete an application and answer assessment questions. (Some assessment questions are available in Spanish. However, an English proficiency test may also be required.) Be registered with the Selective Service System or have a qualifying exemption, if you are a male born after Dec. 31, 1959. Pass a Census-performed criminal background check and a review of criminal records, including fingerprinting. Commit to completing training. Be available to work flexible hours, which can include days, evenings, and/or weekends. Most jobs require employees to: Have access to a vehicle and a valid driver's license, unless public transportation is readily available. Have access to a computer with internet and an email account (to complete training). The Census Bureau is an equal opportunity employer. For more information, visit our Equal Employment Opportunity page. If you are a veteran who served on active duty in the U.S. armed forces and were separated under honorable conditions, you may be eligible for veteran's preference. Documentation supporting your claim for preference must accompany your application. For more information, visit the U.S. Office of Personnel Management Veterans Preference page. Ready to Apply? If you meet these qualifications, take the next step toward joining our team! The application process takes about 30 minutes. You will need to provide your Social Security number, home address, email address, phone number, and your date and place of birth. What to Expect Most 2020 Census positions will likely last several weeks. These temporary positions can include census takers, recruiting assistants, office staff, and supervisory staff. They feature: Competitive wages Weekly paychecks, Flexible hours, Paid training. Some positions require evening and/or weekend shifts because you must be available to interview members of the public when they are at home. In addition, most 2020 Census jobs require employees to have: A valid driver's license and access to a vehicle, unless public transportation is readily available Access to a computer with internet and an email account (to complete training) While positions are available across the country, the Census Bureau is committed to hiring people to work in the area where they live. After all, you are likely the most familiar with the people and places within your own community.

Midwest Health Services - Direct Support Worker**OMJ Job Number/Reference Code: 3874601**

Desired Skills/Duties: Midwest Family of Companies Midwest Health Services Position: Direct Care Staff Full-time and Part-time Pay: \$9.25 hourly The Midwest Mission: The Midwest Mission for its Direct Care Staff is to provide person-centered, community-based supports to people with intellectual and developmental disabilities. We like to have fun while encouraging the hopes and dreams of the people we support! On any given day your job might include cooking and cleaning in the homes, going on an outing, and working with people who have various needs to meet their individual goals. A Rewarding Opportunity: No experience required!
